

INVITATION

The 'AEHT Youth Parliament' from Tuesday 03.06.2016 to Saturday 07.06.2016 at Docklands Academy, London

Dear AEHT members,

The AEHT invites students from all member schools to participate in its Youth Parliament, which will be held in London this year. This event is similar to the *Model United Nations* (see http://en.wikipedia.org/wiki/Model_United_Nations). The aim is for young people to learn about diplomacy and international relations, to develop the skills of effective international communication and promote greater global awareness of contemporary issues in travel and tourism. Participants will play roles as members of the simulated European parliament (MEPs) and take part in debates over 3-4 days. They will be required to carry out research on the topic of debate, and try to develop solutions to major issues identified. Additionally, participants will be able to take full advantage of being in London by participating in the social and cultural events organised by the Academy.

This year the main topic of debate will be “**The impact of immigration on the travel and tourism industry in Europe**”.
